

What can TG offer me?

- Being part of an organisation with like-minded women, with opportunities to meet and make friends with members from across the UK either in person or on-line, learn new things and have fun!
- Opportunities to be a part of a traditional Guild or a TIG (Townswomen's Internet Group) through our secure website or a TAG (Townswomen's Associate group) which is a less formal group
- Opportunities to speak out as part of an influential forward-thinking organisation which is a voice for change
- A voice to influence the TG National agenda
- Access to campaign news through the two issues of the Townswoman magazine a year and four newsletters (e-mailed whenever possible, supporting our environmental campaign) which also contain a wide variety of interesting and informative articles
- Joining other members at the annual AGM, in person or virtually, plus, a variety of International Women's Day events and recreational events online
- Taking part in competitions, challenges and exhibitions e.g. Discovery Award, AGM Exhibitions
- Access to an interactive web site www.the-tg.com and password access to the Members' Area with member only content
- Chance to join virtual interest groups through the Members' Area eg drama, craft
- Improve IT skills by joining a virtual members group for beginners and those wanting to learn more about using IT, through our website
- Help you to support our virtual community eg by setting up a TG interest group, becoming a virtual speaker

Let us know what else you would like to see TG offer you and have a think about how can help TG in return. To mis-quote JFK, "Ask not what TG can do for you – ask what you can do for TG"
