The Climate Coalition

Dear

MP,

I want to see urgent action to protect what I love from the climate crisis. I have sent you this message because

I would like to ask you to keep up the momentum on climate change after COP26. The Townswomen's Guilds, members and their family and friends would like to support The Climate Coalition's Show the Love campaign as we all need to work together to protect the planet. I ask you to join us and join #TheFightThatUnites and champion climate action across all government departments.

Please show your support by :

- Pledging your support to protect all that we could lose to the climate crisis - don't forget to tag@theccoalition and use #TheFightThatUnites and #Inourhandstg
- Writing to the Prime Minister and Chancellor to ask how the Government will - as a starting point - meet the recommendations of the Climate Change Committee and ensure all government departments prioritise climate action.
