

# THE GREAT BIG GREEN WEEK

## CREATE A POSTER

There are poster templates to download from The Great Big Green Week and TG websites.

You could use a template or design your own to display in your window or post on Social Media using the hashtag #GreatBigGreenWeek.

If you don't post on Social Media email a digital photo to HQ and let us post for you.

Hold a quiz with a climate action/natural world theme  
The WWF website has many quizzes online to get you started.  
Search Quiz For Your World to discover quizzes for all ages .

## HOLD A QUIZ

## CRAFTIVISM

Get together with your community to host a craftivism activity.  
Could you craft a Green Heart?

Or perhaps craft a Post Box Topper with a climate message for your local post boxes?

## MEET AT A VEGAN/ VEGETARIAN CAFE

Arrange a Guild visit to a vegan/vegetarian cafe.  
It's not necessary to stop eating meat entirely but both humans and the planet would benefit if we all ate less meat.  
Check out some vegetarian options and meet up with friends

## EMBRACE NATURE

Green space in towns and cities are great for the environment and people.

Take a walk in your local park and discover nature, try to identify as many plants, insects and animals as you can.

**REMEMBER IT'S NOT TOO LATE TO MAKE A PLEDGE**
