

Book-folded hedgehog

You will need:

book – 100 to 150 pages (100 pages for a less firm up to 200 if the paper is very thin)

double sided tape

approx 2 ft piece of ribbon

firm card approx 4in X 7in (cereal box cardboard would be fine)

button for nose

google eyes or buttons for eyes

paper / cardboard flowers, gems etc to decorate

PVA glue

glue dots (optional)

1. Remove the pages from the book, making sure that they are all still joined together at the spine
2. Put the book in front of you as shown

3. Fold the right hand corner of the first page toward the spine to make a triangle. Be careful to line up the edge of the page with the spine edge in a straight line

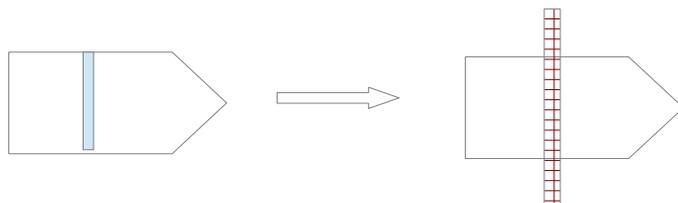

4. Fold the rest of the page down horizontally in half, matching the top edge of the page to the spine, Press the folds firmly..

5. Repeat the same process with the rest of the pages making firm folds
6. Put the hedgehog on the card and draw round it. Trim the card to fit the hedgehog

7. Put a piece of double sided tape about 1/2 way along the body and stick the ribbon to it with the middle of the ribbon roughly in the middle of the card

8. Stick the hedgehog to the card using PVA glue. Leave to dry thoroughly.
9. Tie the ribbon into a bow on top of the hedgehog
10. Decorate the hedgehog with eyes, nose, gems and flowers, using PVA glue or glue dots to hold them in place
